REPORT OF SUPERINTENDENT

The hard work of the teachers and principals in Richland One was reflected in the results of the 2007 PACT scores. Students made gains in more areas of PACT than their peers statewide in 2007. In recognition of these improvements, 14 of our schools earned cash awards through the state's Palmetto Gold and Silver Awards Program. Also in 2007, approximately one-third of our schools improved their compliance index on the federal No Child Left Behind standards. Other indicators of improvement in Richland One include the largest-ever increase in the teacher attendance rate, decreases in our student suspension rates, and the largest-ever decrease in the district's dropout rate.

The Class of 2007 earned a record-high \$41 million in scholarships, a 28 percent increase over 2006. Also, the number of our Richland One graduates attending two- or four-year institutions increased from 67 percent to 76 percent. Our schools, students, and staff continued Richland One's tradition of excellence by receiving several honors and awards at the local, state, regional and national levels. Twenty-seven more Richland One teachers earned their certification from the National Board for Professional Teaching Standards.

Crayton Middle School won its fourth MATHCOUNTS state title in six years. Webber and A.C. Moore elementary schools were named Red Carpet award winners by the State Department of Education. The DestiNation Imagination team from Burnside Elementary School qualified at the state level for the Global Finals competition, while Odyssey of the Mind teams from Greenview and Brockman elementary schools and W.G. Sanders Middle School qualified for the World Finals. Newsweek magazine named Dreher High one of the top public high schools in America. The Lower Richland High girls' basketball team won the Class 4A state championship for the third consecutive year, the Keenan High girls' basketball team won the Class 2A state championship and the A.C. Flora golf team won its second consecutive Class 3A state championship title.

With the help and support of the entire community, the goal of going from good to great is well within the district's reach.
